

KOH CHANG
THAILAND

UNDISCOVERED THAILAND

Koh Chang has always been a favourite get-away for Thai people. With the newly opened Trat airport on the mainland, this 'hidden secret' is now only a short flight from Bangkok.

Lush and mountainous, this quiet island is full of natural treasures just waiting to be discovered. With its white sandy beaches, coves, bays and tropical forests, this is the perfect place to replenish the mind and recharge.

The resort is on a sparkling island, just off the coast of Trat.

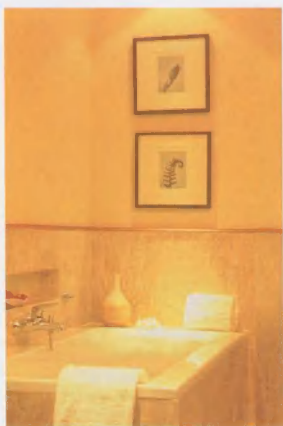

LUXURY AND STYLE

All 165 superior and deluxe rooms have beautiful solid wood furniture and reflect modern Thai design influences, with panoramic views of the cove or nearby mountains. The bathrooms are particularly spacious and feature a bath tub and large corner shower.

Stylish rooms have either a sea or mountain view.

Relax and enjoy a cool drink at the pool bar.

A CORNUCOPIA OF CUISINE

The selection of restaurants and bars offer an eclectic mix of Thai seafood at the Just Thai Restaurant and modern Italian specialities at Sassi.

Enjoy an al fresco breakfast or the all day à la carte menu with a sea view at the Cove Terrace. The pool bar is the place to enjoy a cocktail as the sun goes down.

Breezes has live entertainment every night and is one of the most happening night spots on the island.

The Cove Terrace looks out over the pool

Family time spent on the beach.

RELAX AND REJUVENATE

Even the most energetic, may be drawn to do nothing more than watch the waves lap on the white sandy shore and experience the rejuvenating spirit of the island.

The Sivara Spa allows guests the ultimate indulgence with treatments in private salas looking out over the beach. Select from a full range of massages, facials and body treatments.

Take it easy under a shady tree

The rain forest can be explored by elephant.

AT ONE WITH NATURE

However, a visit to Koh Chang provides ample opportunities for the adventure seeker. Impressive waterfalls and stunning scenery are just waiting to be discovered, on foot or by elephant.

Part of a protected marine national park, Koh Chang is a paradise for both beachcombers and those who enjoy every type of watersport. The resort's PADI Dive Centre caters to both first time and experienced divers.
